Keep away from children.
FOR ANIMAL USE ONLY

NET CONTENTS

1 GALLON. (3.79 Liters)

INDICATIONS:

Topical use in small or large animals.
Not intended for internal use.

OTHER USES:

May be applied to all grains at a
rate of four (4) to six (6) quarts per 1,000
bushels for cost effective dust suppression.
The treated grain will retain its dust
suppression ability for several handlings and
will not develop rancidity problems upon
long-term storage.
