

INGREDIENTS:

Surfactants, Emmollients, Tea Tree Oil, Cornmint Oil, Camphor, Menthol, Wintergreen Oil, FD&C Blue #1

STORAGE:

Store at room temperature between 59°F and 86°F (15°C - 30°C)

DIRECTIONS FOR USE:

Use Udder Care at full strength, do not dilute. Apply topically as a liniment for painful and swollen udder associated with mastitis and udder edema. Spray onto udder after each milking and teat dipping. After spraying on, massage for 10 seconds with a gloved hand for good udder contact. Shake before use.

**SPRAYABLE**

A moisturizing and soothing liniment formulation

For Animal Use Only

Keep away from children.

TAKE TIME  READ LABEL INSTRUCTIONS

NET CONTENTS**16.9 fl. oz (500 ml)****WARNINGS:**

For external use only. Avoid contact with eyes. In case of eye contact, flush thoroughly with water. If skin irritation or redness develops, discontinue use. Should irritation persist for more than 5 days, consult a veterinarian. In case of accidental ingestion seek medical assistance immediately or contact a poison control center. Prolonged or repeated skin contact may result in harmless blue staining.
